Such design to be accompanied by an estimate of the whole cost, including lettering and fixing, which must not exceed from 150l. to 180l. The height of the proposed site of the monument is 8 feet 9 inches from the floor to the ceiling.—Designs and estimates will be received by T. H. HODGSON, Esq., Carlisle, until the 3rd day of April next.

Carlisle, March 3rd, 1852.

TO ARCHITECTS AND OTHERS.

UPTON-UPON-SEVERN BRIDGE.—The Magistrates of the County of Worcester are desirous of receiving PLANS and ESTIMATES for the ERECTION of a NEW BRIDGE over the River Severn, at Upton-upon-Severn, in that County. Such bridge to contain not less than three arches. The piers to be either of stone or iron; the arches of iron. The roadway to be of the same height as the present roadway, and not less than 18 feet wide in the clear. Such plan to show one opening arch on the Upton side, adapted to the requirements of the Navigation of the River Severn. Particulars relative to the site of the proposed bridge, and such other information as may be desired, can be obtained upon application to Mr. C. A. Helm, D.C.P. College-yard, Worcester. Persons intending to furnish plans and estimates are requested to send them to Mr. Helm on or before the 2nd day of April next (carriage paid). A premium of 25l. will be given for any plan which may be selected and adopted.

Worcester, 8th March, 1852. C. A. HELM, D.C.P.

N.B.—The plans and estimates, with the name of the architect, to be sent under seal, with a figure or motto marked on the same and a corresponding one on the cover, to indicate the plan and estimate connected with each cover.
